Dear Riders,

On behalf of the Norsemen, thank you for riding this year's Akeley Enduro. A few things to know before you head out on the trails:

- On open trails and / or trails that look like roads – stay to the right!!
- The restarts are right at the gas stop.
- The entire event is on the west side of Highway 64.
- If you get off trail, lost, or decide to call it a day – head east to Highway 64 then go south to the Start.
- This is public land and we are guests and stewards of the land – please be respectful. Each of us who have the opportunity to ride here during the year either at events or for an enjoyable trail ride need to understand that we are watched by all, and live as an great example of a responsible off-road motorcycle enthusiast.

Thank you to all the volunteers who worked hard to make this year's Akeley Enduro possible – this event wouldn't be possible without each of you.

The last thing that needs to be said: HAVE A FUN, SAFE RIDE!
