- Key Time is 9:00 am. Start is on the north end of the parking area.
- This is a restart format Enduro. Please take it easy on transfer sections and roads.
- DO NOT RACE DOWN THE ROADS!!
- No spectators or pit crews at checks.
- After Section #4, some early minutes might see 2-way traffic on the transfer section. Please use caution and stay to the right on the roads.
- Gas trailer is leaving parking area at 9:00 AM. Put gas cans, coolers, etc. on trailer
- There is LIMITED parking at the gas stop. Please use the gas trailer. If you intend to go to the gas stop, please group up to save on space.
- NO PARKING on the road at the GAS STOP!!
- Please, NO SPEEDING on road while traveling to and from Gas Stop. Please respect our neighbors.
- You will pass the gas trailer a second time after Main Gas Stop while transferring to section #5. If you cannot make 29.6 miles you should stop and fill up.
- Please stay with your bike if you have any troubles. Clean up crews will be following last riders.
- A&B section leaves the parking area on the south end and heads east on 370th, follow arrows.
- A&B section has an **active logging section** that caused the trail crew to cut in a bypass this week. Please use extreme caution in this section.

Please remember all of the hard work a few dedicated folks put into making this Enduro happen and say thank you to the checkers and course workers. It truly does make a difference.
